CONNECTING WITH THE DIVINE

The major world religions and their beliefs about God. Hinduism, Buddhism, Islam, Christianity, and New Age...

By Marilyn Adamson  PDF

We all want to make it through life with success, some sense that we did it right. So what about the major world religions? Is there anything in them that might give our lives greater depth and direction?

The following looks at the major world religions... Hinduism, New Age, Buddhism, Islam, and Christianity.* There is a brief description of each, their view of God, and what a person can gain from that religion. The ending explains how Jesus' teaching differs from the major religions.

In looking at these major belief systems and their views of God, we find tremendous diversity:

- Hindus acknowledge multitudes of gods and goddesses.
- Buddhists say there is no deity.
- New Age followers believe they are God.
- Muslims believe in a powerful but unknowable God.
- Christians believe in a God who is loving and approachable.
